

STOP!

■ If you are 65 or older

OR...

■ If you have
health problems like—
diabetes
sickle cell disease
cancer
HIV

OR...

■ If you have problems
with your—
heart
lungs
liver
kidneys

**Ask your doctor about
the pneumococcal
shot today!**

- It is safe and can help keep you healthy!
- It does not make you sick
- Medicare/Medicaid pays for it

Ask your doctor or health care provider for more information.

**For more information ask
your doctor or health care
provider. Or call the CDC
Immunization Hotline.**
